Wisconsin has 34 pitchers traveling to Montgomery, Alabama to pitch ringers in the World Tournament. Wishing everyone lots of luck! Of these pitchers Ken Heinritz, Aleena Lepak, John Meyer, Brooke Lazaris and Gunnar David are all seeded in their respective Division Class A. Although every pitcher has opportunity to qualify for the Championship Class the second week, these WHPA pitchers will be “warming up” with the best of the best in their first three days of competition. Even with over 900 pitchers and classes of 16, we have four WHPA pitchers in Sr Men Class C: Al Huizenga, Jim Tollefson, Kerry Morris and Mark Rice. Wouldn't it be great if they took the first four places? Congrats to the parents, grandparents, uncles who are giving their young family members WT pitching experience! Wishing everyone good health, safe travel, new food sampling and lots of ringers!

We have four delegates attending the National Convention on July 31: Sonia Cook, Kari David, Ken Heinritz and John Meyer: If you have not done so, let them know of your choice for the 2019 WT: Shreveport—Bossier, LA; El Paso, TX; or Florence, SC. You can also share your choice with one of the officers and the message will be shared with our delegates.

Good luck to everyone attending the World Tournament this year. We had 34 entries. This is a little lower than previous years. We had 40 in 2015, 34 in 2014, and 37 in 2013. I did a little looking and found we have 10 pitchers that will be going for the first time. On the opposite end, we have 4 pitchers who have gone at least 20 years with Bun Carley leading the way at 27 this year. It is encouraging to see that 10 of the pitchers are either Cadets or Juniors. We still have the Each One Reach One contest going. We need to continue to recruit new or former pitchers. Mark your calendars for the fall meeting on Oct 15. This year we will be electing the 1st VP, 3rd VP, and Secretary-Treasurer. I hope to see you all at the state tournament in Mosinee.

Lower the shoe count? To let say . . . 30 shoes. What? It's always been 40 or 50 shoe games. I would propose to tournament directors to lower the shoe count to 30 shoes. Why not? Oh don't change the format for the World or State tournaments. But how about reducing the number for our local events?

Do you ever get newcomers in your league? Playing up to 21 is the only game they know. For them, 40 shoe games are like marathons, a test of endurance through the hot summer months. Sure you & I are fine with 40 shoe games, but perhaps lowering the shoe count will be a better draw for first timers & keep them coming back. The thought of having to endure 200/280 shoes & 3 hours is a little much when you are not used to it.

Newcomers Jeff outdueled Rich in what they called 'the battle of the losers' match.

Thank You to Terry Sternberg and Heidi Sternberg Poppe for their years serving as WHPA WebMasters. They have been instrumental in spreading the latest in WI Horseshoes. Also, a **Thank You** to Dave Volz for taking over the WebMaster position. We are so very fortunate we have willing WHPA members offering their expertise in amny areas as we experience change within our WHPA.

Spring / Fall Meetings

Wisconsin Dells, WI 53965

By, Dobie Gutweiler

On Saturday July 2, 2016 Rudy and I decided to take a day trip to Stevens Point Wisconsin and check out the efforts of Fred, Brian and Ray as they hosted their first tournament. It's hard to say what you are expecting when you drive two hours to attend a tournament put on by three young men who have only been pitching for about a year. Let me tell you what we found.

We got slightly lost on our way into Stevens Point so we called Fred from my cell phone and he took the time to talk us right to the pits. We arrived and Brian could not have done more to greet us. He carried our belongings, and found us a nice shady spot to sit. We were greeted over and over again by name and with hugs. Those hugs are one of my personal favorite things about our horseshoe family. Good food, good music, great pits were showing us that a good day was in store.

You could tell the work that was put into these pits and Fred had impressive photos of what they originally found out there in the park and was able to tell us all the work that was put in to get these pits back in shape. You could tell that these men put many hours of hard labor into these pits they now call home.

Most impressive was Fred's determination to finding out the history of these pits. He took the time to review newspapers from the past and get an amazing detailed history of the pits and how they came to be.

We learned that the Mead Park Horseshoe Pits were started by Peter Schelke as an idea in 1972 and that following a lot of work by Peter and other local men, the pits were ready to go in 1974. The first shoe was pitched by Stevens Point Mayor Paul Borham on June 18, 1974 and league play at the Mead Park Horse-

shoe Pits began. Women, boys and girls were invited to pitch in June 1976 and a Horseshoe Club was born.

But you know what? This was not enough history for Fred. He took to a local telephone book and went on a mission to learn even more about these pits he was working on. Sadly, while Peter Schelke had passed away, he was able to locate his sister Barbara who still lived just across the river from the pits. With flowers in hand Fred and Brian went to visit her to learn even more about Peter and how these pits came to be.

Now that is a pure love of the game isn't it my friends? These young men certainly could have started and ended their journey by simply saying "we found pits and put together a tournament" and they would have been applauded for those efforts alone. But now we have more. We have a history of the Mead Park Horseshoe Club and the WHPA has these three young men who immediately knew that their love for this game was perched on the shoulders of those that came before them.

Please join me in applauding Fred Lane, Brian Hartman and Ray Cayer. They put on a wildly successful first tournament which drew State Champion and Hall of Famer, Randy Rein, Hall of Fame member Rudy Van Fleet and many, many notable pitchers who came to see what three young men on a mission could accomplish. Fred, Brian and Ray would be upset with me if I did not mention that they were assisted in their efforts by Kevin Brekke who came up to help them with their first tournament. None of us were disappointed and I easily believe we will all attend again. Thanks Guys, it was an amazing day!!!

Before and after pictures of the Mead Park courts and scoreboard provided by Fred Lane. One can see the dedication and time Fred, Mona, Brian and Ray have dedicated to these courts. Thank you!

A bit of scoreboard history. The blue background scoreboard is one of 9 that the Boyceville Horseshoe Club gave to Jane Smith after the Boyceville Club ceased at least 15 years ago. Fred mentioned at the 2015 Fall meeting a need for scoreboards. This was a perfect opportunity to keep the memory of Johnny Brezina and the Boyceville club alive. Fred and team completely reconstructed 3 of the scoreboards for their tournament. It is a work in progress as there are still 6 scoreboards needing revitalization.

This was the Third Annual Phil Wahl Open Tournament at Halfway Creek Park in Holmen, WI. The courts were updated last Fall to meet sanction rules for Cadet pitchers. That upgrade was timely because we had one cadet, Riley Wild, age nine; pitch in Class B with a percentage of 12.5. Riley also pitches in the Coulee Region Horseshoe League with a percentage of 19.29. We are trying to recruit young pitchers because we know the young players are the future of our sport.

Eau Claire Tournament Highlights

By, Elly McCarn

Near perfect weather greeted the 36 participants at Carson Park. Eau Club members Lonny Trangsrud, John Brophy and Dean Chaffee were left in the dust by Class A Champion Ron Craigmile. Mighty Mite Sarah Chaffee shocked Class B with her 64% average that included an 82% game. It was good to have Jane Smith back on the courts responding with a second place finish. Class D pitcher Trish Pennoyer, first time in Eau Claire, claimed first place edging put Laurie Dolezel. Laurie could have taken first place with one more point in either of her first two games! Dan Sheehan pitched 6% above his average to win Class C; Cole Trangsrud pitched 4% over his average to go undefeated in Class F. The lunch stand was busy with the favorite, Ranch Beans (John Dolezel well renown chef) disappearing before the end of the day.

Our thanks to Shirley Carley for doing the stats; Sheiran Austin for fixing the food and to Lill Young for doing the food serving.

As always, a big thanks to Country Kitchen for the gift certificates.

Brothers Rich and Russ Brockway both pitched their tournament bests at the Patriot Tournament : Rich—51.43%; Russ—41.79%.

7th Annual – The Patriot – 4th of July Tournament Edgerton Wisconsin – 2016

By, Kevin Brekke

This was the 7th year for “The Patriot” horseshoe tournament at Race Track Park in Edgerton. It started as an idea to bring new and old players together, sanctioned and non-sanctioned, and to promote the game of horseshoe pitching. In 2010, our first year, we had 16 pitchers, and the last three years we filled up with 48 players, having to turn some away. At this tournament, everyone wins something, and my wife Karla makes attendance bags for the entrants, and all entrants get money back and a prize. It is a fun, family time, and one of our pitchers, Ron Ramquist, celebrated his 76th birthday this year. All pitchers are in a class by ringer average. The results are on computer, and everyone gets a printout of how they did. There is a lot of work that goes into getting the courts ready, but I have some good help from the area pitchers like Dave Brekken and Melvin Schneebeger. This year, Alan Arneson also helped my wife Karla out with all the things that need to get done during the event. The fireworks are the night before so the park is not busy. We use the concessions building for doing stats and having snacks on a donation basis. I do this to give back to the sport I love, and want to see grow.

I am attaching the results of the competition. Some noteworthy happenings. Class A, Rich Brockway, won the class with a 51.43 average. This is Rich’s first 50 percent average tournament ever. Edgerton’s own, Bun Carley, came in second with a 50.71 percent average. Rich’s brother, Russ, won Class C, with a 41.79 percent average, Russ’s first tournament over 40 percent. In class B, a bit of a

surprise, Leo Linhart won with a 5 and 2 record, and a 36.07 average. He beat out two higher percent pitchers going in, Dick Poff and Norm Beckius. Norm had the high ringer average for the class at 38.93 percent, and is the president of the Beloit Horseshoe club. Class D winner, Lisa White, from Brooklyn, beat out Edgerton’s Spike Carothers and Doug Sherman. Spike had the high ringer average for the class at 32.14. Class E winner was Edgerton’s own Dave Brekken, who helped out a lot with the grounds, food, and tournament. High ringer average for the class went to Greg Bergles at 20 percent average. Class F winner went to Fred Lane, who also had the high ringer average at 14.64 percent. Fred and his wife Mona came down from Stevens Point, where they had run a two-day tournament on July 2nd and 3rd.

I also wanted to note that we had a few last minute cancellations, and the following pitchers filled in. David Qukslvr pitched in A, and took 3rd with a personal best of 49.29 percent, and high game of 65 percent. Richard Waugh from Janesville in Class C, and Fred and Mona Lane and Karen Smiley in Class F. This was Karen’s first ever tournament, and finished with a 1 and 6 record, and 3.57 percent ringers. Also in that class was first time pitcher Caryn Johnson, who went 2 and 5, at 5.71 percent. Caryn will be getting her sanction card soon.

I also want to thank my wife Karla for all the work she put in from the decorations, attendance bags, and being a great host to all that came. It is truly a team effort, and I was truly blessed to be able to do this for another year.
