To all 2004 State Horseshoe Pitching Tournament participants,

Welcome to Platteville! Thank you for your selection of our community as host for the 2004 tournament. We hope you will enjoy your stay in our city, and that you find the recreation facilities to your liking. The city has been fortunate to have the support and help of the local horseshoe club, and both take a great deal of pride in the condition of our parks.

While you are here, please take the time to explore our community, and enjoy our historic downtown, shopping and many fine restaurants. Pay a visit to the city's Mining Museum and Rountree Gallery, two of the area's premier attractions. If the city staff can be of any assistance during your stay, please feel free to call my office at (608)3498-9741. Enjoy your stay!

Sincerely,

EDITH MCKINNEY—
2004 Hall of Fame Inductee

What an honor to be inducted into the Wisconsin Hall of Fame! In 1980 never having thrown a shoe it was quite an experience to start a new game. I started playing horseshoe when everyone in our area was having so much fun on a Women's Tavern League. I formed a team with my sisters, daughters, nieces, and my mother. Our very talented family did very well playing in the Class A division in a short period of time. Through the years my average has improved to the extent, I play in the championship classes in both State and World competition. It has been fun, but not easy. I have played in the Team-World tournament for 16 years on various Wisconsin teams. I have also participated in the Wisconsin State Tournament since 1987 with most of the years in the Championship Division. The highlight -- winning the State Women's Championship in 1991!

Jane Smith, a friend of mine, asked me to go to the World Tournament in Indiana in 1985. From that humble beginning, I have missed only the California world tournament. While pitching in the World tournaments, I have met and developed many good friends. In the 18 World tournaments, I have pitched in both the Ladies and Senior Championship Divisions. I have also served as a delegate to the National Convention. As a result of playing horseshoes and participating in tournaments, my horseshoe friends feel like family to me.

Not only do I enjoy the pitching but also enjoy the leadership roles I have had on both the local and state levels. I served as President of the Women's League for several years and am the "Go to Person" in our Close Doesn't Count league. When our club co-hosted the State tournaments, my role was to organize the scorekeepers. One award I am especially proud of is the "Scorekeeper of the Year." As a committee member and present chairperson of the Hall of Fame committee, I have had the opportunity to meet and learn about even more great individuals on and off the courts. Other horseshoe experiences I have had include designing and selling tournament shirts; promoting and hosting the World Tournament in Eau Claire; and working for NHPA officers at past World tournaments.

My goal has always been to have fun and enjoy the game in a nice way. Life has so many stresses and hardships that we have to escape to a world where you can play with your friends and try not to hurt anyone in anyway. My thought is it's easy to be a good winner but hard to be a good loser. I have had to practice **BOTH!!**
