August 17, 1981

Dear State Horseshoe Pitcher,

It is my pleasure, on behalf of the Eau Claire Parks and Recreation Department to extend our "Welcome" to the 1981 Wisconsin State Horseshoe Tournament.

The department has taken pride in conjunction with the Eau Claire Horseshoe Club in the development of these fine courts over a period of years. We feel we have developed some of the finest courts in the State. This was only accomplished by working together to promote quality horseshoe facilities. We have planned some additional future improvements such as additional courts and installation of restroom facilities in the existing shelter building. It has been the Eau Claire Clubs dream to one day host the World Horseshoe Tournament.

We hope while you and your family are in Eau Claire that you take advantage of some of the other fine facilities located in Carson Park. There is a steam engine that operates on Sunday afternoons adjacent to the Paul Bunyan Logging Camp. The Chippewa Valley and Paul Bunyan Museums are other attractions that may interest you. There are also many foot trails and exotic areas in the park for your enjoyment.

May you and your families have an enjoyable stay with us and may your participation in this Wisconsin State Horseshoe Tournament be a rewarding one to you and yours.

Most sincerely,

Fred Baumgartner
Director of Parks and Recreation

WISCONSIN HORSESHOE PITCHERS HALL-OF-FAME

BILL GLASS

The Wisconsin Horseshoe Pitchers Association is honoring BILL GLASS with a Hall-of-Fame award for 1981.

Bill's father was an avid horseshoe pitcher so Bill started pitching as a youngster in Ohio. Although his real interest was in playing ball, he pitched horseshoes off and on for 25 years. In 1960 he moved to a dairy farm in Wisconsin and, after no horseshoe pitching for 15 years, decided to enter the tournament at the Wisconsin State Fair in 1966, winning the Class B title. In the fall of 1967 his dairy herd was sold so Bill had more time to play ball and horseshoes. He won the state title eight times, his first in 1968 and subsequently in 69, 70, 71, 74, 78, 79, and 80.

Bill entered many tournaments throughout the state, winning numerous titles. The first time many of us heard of Bill Glass was at Green Bay (we think in 1972), when a huge banner proclaimed "BILL GLASS IS HERE". In 1980 he pitched in eight tourneys in Florida, winning four of them.

Bill, who is 60 years of age, is a grain farmer near Vesper. He and his wife, Lois, have five children.

We have been saddened by the news that, due to **Lou Gehrig's disease**, Bill will no longer be able to play horseshoes. We are happy to present the Hall-of-Fame award to one who so richly deserves the honor.

Bill's address is R. 1, Box 191, Vesper, Wisconsin 54489.

CARL PFEFFER

Carl Pfeffer is also being honored by the Wisconsin Horseshoe Pitchers Association with a Hall-of-Fame award for 1981.

Carl started playing horseshoes in 1933. He won the Class B title at the Auer Cove Playground tournament in 1934, and the Major AAA title in 1937, '38, and '39. He entered the state tournament for the first time in 1934, qualified in class A and placed second. He won the state championship in 1956 and 1958.

He has been a member of the Washington Park Club for 45 years, winning the club tournament twice and the handicap tournament twice. He is also a member of the Tri-County league.

Carl, who is "74 years young", worked for American Motors Corporation for 44 years and has been retired from the Master Mechanic Department for eleven years. He was a member of a six brothers bowling team from 1946 to 1956. He has a family of two sons, eight grandchildren and five great-grandchildren. Carl lives at 5812 W. Meinecke, Milwaukee, Wisconsin 53210.

We congratulate Carl for his many years of participation in the sport of horseshoe pitching and are happy to present this award to him.
