Dear NHPA members,

Almost a year has past and we are preparing for the 04 World tournament in Pocatello. As at all world tournaments, opportunity for great times is possible. The planning and hosting of a world tournament is a time consuming activity, BUT well worth the effort as it is a very rewarding experience. I would like to take this opportunity the THANK every person who helped in any way in Eau Claire last summer. The tournament ran smoothly because of the 100 plus volunteers! As a member of the WT 03 committee, I would like to offer a few changes for our organization to think about.

- ◇ The contract between the NHPA and the host site should be re-written with the following changes:
 - a) The NHPA and the host site should share the expenses in housing the NHPA dignitaries. Reasoning: the site needs the NHPA and the NHPA needs a site. This can be a large expense for host sites;
 - b) The NHPA should cover the expense of the extra junior awards. The NHPA wants each junior competitor to receive some type of award be it a medallion or trophy. These "extras" add considerable expense; The NHPA and the host site should share in the cost of moving

the trailer with the NHPA supplies from site to site. Again both parties need each other.;

The junior party is a big part of the event for the juniors. A host site is pretty busy handling the daily events and various parts of the tourney. Our Junior NHPA director should be the "go to" person for this part of the world tournament.

- ◇ The \$5.00 from the \$100 entry fee allocated per pitcher for trophies should be used for trophies. Not a decision by the "council" as to how much money can be spent on trophies.
- ◇ There is no need for "prelims" for the higher average pitchers. The seeding of the top 'X' numbers of pitchers did not help the time in planning a pitching schedule. We have a very good NatStats system with updated

The President's Column

Remember, the Wisconsin State Horseshoe Tournament deadline is coming soon: July 31st. You need three tournaments between August 1, 2003 and July 31, 2004. Hope you already have them in. If not, check your schedule. The tournament will be held in Platteville on Labor Day weekend. The Platteville club has put a lot of time and money into this event. Help support the club, make plans now.

The World tournament is coming soon. Wisconsin's entry numbers are way down this year, but I am sure the people who are going will represent us well. At the World Convention, Wisconsin has five delegate votes. Our delegates will be Jane Smith (Chairperson), Terry Sternberg, Sonia Cook, Bun Carley, and Edie McKinney.

There are two sites bidding on the 2006 World Tournament: Louisville, KY and Des Moines, IA. (Update: Des Moines, IA has dropped out) If you'd like to let the delegates know which site you prefer, email either me or one of the delegates directly. We are interested in what you think about it.

Good pitching at the World, and get signed up for State!

Tom

averages. Let's use these averages. Pitchers have one year to get their average to a point of satisfaction. If the upper classes did not need "prelims" the schedule would be much easier to plan. There would be less "complaining" about paying the \$100 and then another \$50 for the finals and playing only a few games. By placing everyone in their respective 16 or 24 person class, the schedule could be the same year after year and people could plan their trips accordingly.

- ◇ We need a NHPA officer to be responsible for the NHPA trailer and supplies. As the trailer passes from site to site, there has been little accountability for the equipment. If an officer takes inventory at the beginning and end of each world tournament, we will have a better idea of when courts or equipment needs to be replaced or built. We have seen several sites back down from their bid because of the expense involved in hosting this event. Perhaps it is time for a permanent site for the World tournament. (This is a suggestion from Ward Lutz of Minnesota.) Perhaps the NHPA membership needs to become involved in their own tournament. We have a wonderful organization and a terrific family game. Let's promote and make the most of opportunity to sell our sport.

Sincerely yours,

Jane Smith

Sonia Cook to Run Again

Tom Steinke, WHPA President

Ken Kosky, Newsletter Publisher

Please accept this email as official notice for me to run for 3rd Vice President Junior Scholarships position this fall.

Both Tom Steinke and Terry Sternberg approached me a year ago to consider the position should Tom earn the President position. Given my interests (Tava, Kiri, & Aleena) in the junior pro-

grams...there actually was no other decision but YES. This is an exciting position to maintain contact with all the juniors. I believe we need to help them improve by competing head-to-head with adults, support their accomplishments, and foster the love for the game of horseshoes that we all enjoy.

I always remember having a horseshoe court in my backyard. Sometimes the stakes doubled as first and third bases for softball games--no sliding allowed. I sub-pitched in the city horseshoe league in summer 1979 and immediately was "hooked". I partnered up with my Mom-Sylvia David in 1980. I've donated countless hours to the success of our club. My husband-Mel, and I missed one of the state tournaments in Marshfield due to our representing WI as Co-Ed Softball State Champions in Oklahoma. I worked the second state tournament held in Marshfield.

The WI Horseshoe Family has helped to raise our three daughters. Traveling to multiple tournaments each summer soon became mini-family reunions. I firmly believe that this is one reason why the many horseshoe kids we meet at WORLD are just "good kids".

Jane Smith

After serious consideration, I have decided to run again for the office of 1st VP. It has been a challenging experience I would miss if not involved on the organizational level. Thanks for your vote of confidence.

I'm all in favor of keeping dangerous weapons out of the hands of fools. Let's start with typewriters."

30th Annual Eagle Open Horseshoe Tournament

From Al Salmela

Gentlemen, just a note to update you on the upcoming "

This will be my 15th year of coordination, which for me will be a transition year. The tournament coordination will be shared this year by our Men's League President, Greg Scheff, whom will coordinate thereafter. Therefore the contact information for the tournament is new this year. The contact data will be:

30th Annual Eagle Open
August 6th, 7th, & 8th - Eagle Village Park
Deadline is July 23rd. - Limit is 140
Contact: Greg Scheff
325 Elkhorn Road, Eagle, WI. 53119
(262)-594-3303

If you could place a note in the Wisconsin Horseshoe Newsletter regarding the information on our tournament, it would be appreciated.

We are going through the transition, not because I

don't enjoy this task anymore, it's because Kathy and I will become "Yoopers" (those living up north will know what that means) sometime during the year of 2005. I've had a great 15 year run and want to go through the transition to assure that the traditions of the Eagle Open Tournament live on.

I would like to express my thanks to the WHPA for supporting us through the years. I've made a lot of friends within your organization, names of long time participants like Tony, John III, Bun, Ron, Dennis, Norm, to name a few, come to mind. Would like to specifically thank my window to the Newsletter, Jim Haupt, for his concern and courtesy through the years, and a special thanks to your new president, Tom Steinke, whom has been a long time friend of Eagle Horseshoe.

One final word on the Eagle Open experience. We have a great team here in Eagle, the support I've received through the years from my family, and the members of the Men's and Women's leagues, is tremendous. All 72 members, plus many not pitching anymore, participate in the organization and running of this tournament. It has been a smooth run, not because of what I do, but because of the support I've received. My thanks to the men and women of Eagle Horseshoe for making the 15 years of coordination very enjoyable.

Platteville in the Spring

By Norm Mauthe

The three Saturday morning classes were a complete wipe out due to a steady, all morning, 1 1/2 inches of rain. It finally quit at 1:00 PM, the sun came out and the courts were in perfect shape.

Some of the pitchers had left and we played a 4-player class D and a 6-player class G.

On Sunday it rained another inch until 11:00 AM. The ground was soaked between the walkways so we looked for 7 courts with drier ground. Then the two 7-player classes, A and C, pitched their games. A total of 28 pitchers completed their games.

Mark Stevens won the championship with over 59% ringers. Jeff Mauthe was outstanding in class C with 42.5% and a high game of 57.5%.

Oscar Donar gets better with age and won class D with 37.5%.

Dale Griffith pitched a 45% game winning class E in a 4-player group of locals on Thursday morning. Dave Wilson won class E with one of his best tournaments and John Brugger had the class E high game of 37.5 in his first NHPA tourney.

A special thanks to all who entered and drove down and were unable to pitch on account of the all morning rain on Saturday, also to Country Kitchen of Platteville for the gift certificates and to all the workers from Platteville.

Curt Novinski, Platteville	12.5

The Saturday morning classes were cancelled and Sunday morning delayed 1 1/2 hours due to rain.

28 pitchers competed which was about half the entries. Mark Stevens won the championship.

High game certificate winners were as follows.

Class A Mark Mauthe	77.50%
Class C Jeff Mauthe	57.50%
Class D Marie Donar	47.50%
Class E Dale Griffith	45.00
Class G John Brugger	37.50%

A special thanks to those who came and didn't get to pitch. Also thanks to all the pitchers, workers, and to Platteville Country Kitchen for the gift certificates.

Country Kitchen of Platteville

The late word is that Country Kitchen of Platteville will make gift certificate awards to the first three places in all classes in the forthcoming state tournament.

Are you going to be in line for an award? The entry deadline is the end of this month. Do it now!

The difference between 'involvement' and 'commitment' is like an eggs-and-ham breakfast: the chicken was 'involved' - the pig was 'committed'.

EAU CLAIRE OPEN TOURNAMENT 06-06-04

Nearly perfect weather greeted 57 participants for the Eau Claire Open Tournament. The Class A Championship Class featured the top guns from Western Wisconsin, along with Bert Logsdon from Minnesota. Once again Gert Wilcziek walked away with tournament honors, posting a 7-0 record & 81.1 ringer % to best 2nd place finisher Clayton Gage at 5-2 & 71.5%.

In Class B, Eau Claire Club members Kent Anderson & Pudge Dahl both finished 6-1 with Kent claiming 1st place at 50%, besting Pudge's 48.9%. The Cook Clan came to town with a purpose & walked away with the following awards:

Tava Cook, 1st, Class C, 5-0, 46.4%

Sonia Cook, 2nd, Class E, 4-1, 30.4%

Kiri Cook, 2nd, Class G, 4-1, 23.2%

Mel Cook, 1st, Class H, 5-0, 26.8

Under the direction of Wayne Totten, the tournament ran smoothly. Once again, Jesse & LaVonne Comero provided good food & conversation.

Germantown

By Jim Haupt

Apathy strikes Germantown. Usually a full two day event, the Goldendale club had a surge of "Sunday only" requests and limited the Saturday play to one shift of two classes. The Sunday pitchers, though, had to start at 8:00 AM and go all day. This is a tournament that because of limited courts, would ordinarily schedule four classes for Friday night.

Those were the days. They seem to be gone, probably because the Wisconsin schedule now has some 50 events annually.

He was only second in his class but Ken Davison was presented with a plaque for being a long time valued member. Long time is about 25 years and now that he has taken up residence in Wild Rose, his absence is sorely noticed. He says he also misses the weekly league play.

Mike Keagle has taken over the treasurers job also running this tournament on the computer for the first time. He had the misfortune to move in next door to Terry and Lorraine Sternberg and was summarily introduced to a horseshoe lifestyle..

Danny Kangas, son of Don and Becky, made his debut as a horseshoe pitcher. No he did not win any games but he impressed the crew with his strength tossing the shoe a full thirty feet. His day will come.

A class winner, Otis Wessley is no stranger to the folks of Germantown but he did amaze them with his full 1-3/4 turn from thirty feet.

Pat Smith of Oconomowoc had all eyes as he pitched a high game of 54%, way over average leaving opponent Wes Podvin just shaking his head .

Wolf River in June

There were just a few bank fishermen testing their luck along the shore of the Wolf as we turned into the horseshoe park early Saturday morning.

The sand courts of the Wolf River Ringers were a welcome sight after all the rain Wisconsin has had this spring. We whipped out those shoes covered with dried clay residue and began the task of shinning them up with Wolf River sand.

We were among the 8:00 AM start crew and for us the weather was fine. What Sunday held was yet unknown.

Once again there were a pair of platform courts on the raffle block. Tournament Director, Ken Jaeger, does it to help cover the inflated prize money. This time the lucky ticket was pulled in favor of Terry Sternberg.

The menu featured "road kill" again. This time it was the real thing and from the size of the pot, it looked like they planned to spend the week under that picnic canopy.

Really it was a new experience for your agent. He has slipped so low on the percentage ladder that he was in the lowest class and had the opportunity to meet a new bunch of pitchers, some doing their first tournament and a few from right here in the river city. When we see them again I just know they will be in an elevated class.

And that's how it went in New London, pretty much the same. And when the same is a good thing. It must mean Jaeger has everything working OK.

Down and Back

With Jim Haupt

Gus Schram is not pitching much of late but his Ringle Single shoes live on. Lots of guys, and gals, especially of Wisconsin have tried the one hook shoes. Some still swear by them.

The original casting placed the single hook on the right hand side to retain what could be an errant shoe turning clockwise, the ordinary direction of turn for a right handed person

Last year at the Eau Claire World Schram showed up as an observer. One of the many things he said was so weird that I chalked it up to the beer that he was working on. Not that he had that many but even a few after abstaining for a while gets

you going. He said that the original shoe was designed to be a left handed shoe. How could that be? Didn't Schram actually make the core sample? So, you see, I considered it beer talk.

He did finally produce some shoes with the hook on the left side, what I would call a left hand Ringle Single. Terry Sternberg has a pair. Sternberg, a right handed pitcher is now playing with those left handed shoes, and, doing as well if not better at the biggest part of the game, making and retaining ringers.

I am so smart that I was quick to tell him of his apparent mistake. He says, Oh yeah, watch me. It works people. I don't know how but I have seen it with my own eyes, Sternberg

is tossing left handed Ringle Singles with his right arm. They are turning clockwise and yet remain on the stake.

As Li'l Abner used to say, "Its Amusing but confusing."

Stay tuned. This one is not over. I am carefully watching Sternberg's ringer percentage.

Spectacular News:

From Elly McCarn

Last night, Tues., June 29, 2004, while pitching against Elly McCarn, Gert Wilcziek had a 98% game, yes, ninety-eight per cent.. Her 11th shoe was a bit off. (She had well over 100 points & I think I had 3 (as a result of her 11th shoe miss!) After that miss, we both hoped she'd have a 98 & I felt so bad when I was up first & threw a blocker...afraid that she might not get a double that time., but, her shoes flew over my blocker beautifully. Her other games for the night were: 94, 92 & 84, averaging 92%. What is the record high game in our state, especially for a woman? I'm hoping her 98 is the high. (golly, I can use the figures in her avg. for the night for myself....only reverse them to make 29%).

Thought you'd be interested in the above news.

High Game Reported at Combined Locks

From Bill Matey

Otis Wessley pitching in the Combined Locks Senior League at Kamps Kovered Kourts pitched a 132/82% game, (count-all) the highest recorded in Combined Locks, previous high was 131 shared by Myrl Olsen, and Ann Opsteen.

Congratulations to Otis, but, did it have to happen on my watch, I was his opponent. At least he bought me a beer.

Sometimes a picture says it all!

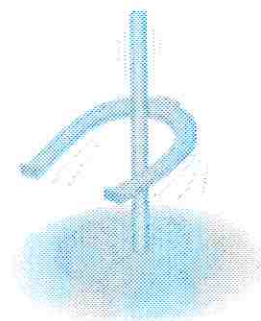

Horseshoe pitching is a game the whole family and all ages can enjoy for fun and exercise and championship play. The SIX PAC is cast of Ductile iron and annealed (softened) to make the shoe absorbent tough when ringing the peg.

Some of the features are; The blades are thicker and wider for better control. They have a position marker or finger notch. They are annealed for softness except for the hooks and points which are hardened to retain their shape. There is a special coated finish and they are guaranteed for one year against breakage.

These shoes are all in stock at your NHPA Game Related Sales Distributor.
